At Home Time with God

In your daily time with God, follow the guide below to reflect on what God spoke about Freedom in Christ and to reinforce how He's working His will in your life.

Sunday and/or Monday

Read Isaiah 61:1-4. List the reasons why Jesus came.

It is not the will of God for His children to live captive physically, emotionally, mentally, or spiritually. Is there an area of life where this is a struggle for you? _____

What can we do about these struggles? How do we “appropriate” (apply, utilize) the death of Jesus to overcome in these areas? _____

Spend time in prayer applying the death of Jesus to any struggle that needs to die in your life.

Tuesday and/or Wednesday

Pray. Ask God to speak to you. Read Galatians 2:16, focusing on how freedom comes by faith. Take time to use your faith and pray through these areas of life, declaring and thanking God for freedom in each one: spiritual life | your mind, will and emotions | your physical body, desires and appetites | relationships | finances.

Thursday, Friday, and/or Saturday

Spend time in worship. Play a favorite worship song on your phone or other media device and pray and sing to God. Read the verses below and write any thoughts that come to your mind on the back of this handout.
